Manufacturer of Glass in different Designs, Lighting and Decoration Glass, Handles, Chandelier Parts, Beads

Decorative colores glass

We do have the largest mould stock for traditional chandelier parts worldwide – because this is where we came from. Now we are also home in contemporary lighting. We manufacture balls from 6-150mm for any use, Christmas ornaments in traditional and contemporary design, decorative items for gifts, premiums and event trophies for sports and economy – even home accessories.

In the meanwhile we have become also one of the most important manufacturer for knobs, handles or other component parts – for sanitary or shower equipment – with a huge standard program – also for those items. Further on we are specialized in any kind of technical glass parts, moulded prisms, lenses or hardened glass.
