Designs By Lia, a collection of contemporary abstract stained glass art created by Lia Marlett in Las Vegas, Nevada.

Most of my pieces feature an abstract, geometrical design, often with repeating elements. Because glass naturally breaks in straight lines, the hard, sharp, jagged nature of glass lends itself to these designs. By choosing glass that is dramatic in terms of color, pattern or texture, the glass itself becomes an integral part of the design. The designs themselves are based on artistic principles such as balance, harmony, rhythm and unity
