## PRODUCTS OR MACHINERY

Advanced Optics - dedicated to Excellence in Optics.

The product portfolio ranges from optical glass and preforms for precision molding, glass filters and plane-parallel substrates, to precision molded and polished aspheric lenses as well as zero-expansion glass ceramics. Advanced Optics also offers processing services such as precision polishing, CNC machining, surface coatings, processing in a clean room environment, laser cutting and recasting. Solutions from a single source - meeting our customers' requirements.
