PRODUCTS OR MACHINERY

Producer of Safety and Sheet Glass

There are four Automotive Products operations in the UK, sub-divided into two major units supplying original equipment and replacement glass. Automotive OE has sites at Eccleston in St Helens and Kings Norton, Birmingham, in the West Midlands. The company also has two AGR facilities based at Redditch, Worcestershire, and Queenborough in the South East of England.

Three of the Group's Float glass lines are located in St Helens - at Greengate (UK5 & UK6) and Cowley Hill (CH2), as well as a rolled and wired glass operation at the nearby Watson Street site. Further processing of wired glass is conducted in Doncaster, West Yorkshire.

Building Products downstream has a network of 23 operations across the UK offering insulating glazing units in toughened, laminated and fire-resistant glasses as well as a wide range of glass and glass related products to the trade. This business also includes 12 glazing facilities and Pilkington Architectural, the Group's manufacturer of the patented Pilkington **Planar**™ glazing system.
