Address	Nantong Gubang Fiberglass Products Nanlin industrial zone 226573 Rugao
Country	China (People's Republic)

PRODUCTS OR MACHINERY

Our company is a professional manufacturer specializing in manufacture fiberglass products. Our main products is fiberglass disc for grinding wheel, fiberglass mesh for grinding wheel, fiberglass alkaline-resistance mesh fabric ,etc.

We have complete quality control system, strict procedure for quality from Raw material to every step of production to keep the standard quality and good products. Our aim is to supply the satisfied products to customers.

The fiberglass discs is cut by puncher from reinforcing netlike fiberglass cloth for grinding wheel. The fiberglass cloth is coated with phenolic resin and epoxy resin, and then baked. It is widely used as the basal material of grinding wheel which adopts resin as adhesive agent.

The grinding wheel which is made with this basal material has properties of excellent heat resistance and smooth surface, cutting at high speed and great structural strength
