PRODUCTS OR MACHINERY

Samtel Group has strong design and development skills and is a dependable player with excellent technological capabilities and a long-term commitment to the display industry. Its products are known for ruggedness and reliability and conform to the latest relevant quality standards. The group has excellent relationships with suppliers of key components and the ability to design new products as well as set up hi-tech manufacturing facilities.

Originally formed as a JV between Corning Inc., USA and Samtel in 1989, Samtel Glass manufactures glass parts for color picture tubes through its plant in Kota, Rajasthan. Samtel Glass is now owned fully by Samtel and is one of the leading manufacturers of glass for color picture tubes.
