Country	South Africa

PRODUCTS OR MACHINERY

The Glass Recycling Company is a not-for-profit South African organization promoting glass recycling.

We are a joint industry initiative with partners that include:

government

glass manufacturers

fillers (users of glass to package their products)

glass recyclers

We create general awareness about the importance of glass recycling.

We encourage all South Africans to actively get involved in glass recycling.

The Glass Recycling Company propagates glass recycling by placing glass banks at various venues nationwide.

We assist entrepreneurs in setting up buy- back centres.

We take all opportunities to create jobs and in turn alleviate poverty by investigating all entrepreneurial opportunities.

We assist in bringing Historically Disadvantaged South Africans (HDSAs) into the mainstream of the economy.
