PRODUCTS OR MACHINERY

The latest addition to IDC Colourfield's range of services is hi-resolution digital imaging in glass. Specializing in Onyx, Marble and Stone Images the digital image is printed on to the interlayer between 2 pieces of laminated Class 1 safety glass with stunning results at a fraction of the cost of the actual stone. And because the product meets AS/NZ 2208 Grade A Safety Glass Standards it makes an ideal choice for just about any application including bar fronts, splashbacks, balustrades, shower screens, lift interiors and building facades.

Company Profile of **IDC Colourfield**
