PRODUCTS OR MACHINERY

We are constantly updating our inventory, trying new styles, and introducing new colors. What started out as a few glass containers has grown into a cornucopia of products. Besides bottles, we now stock corks, capsules, wax, and boxes, among other items. This has happened because of the continuous feedback from our customers. They tune us into industry trends, and we listen. Our customers tell us what is not working, so we can find other options for them.
