PRODUCTS OR MACHINERY

Advanced Process Technologies (APT) is built on decades of experience in the manufacturing, processing & application of materials required by the construction & renewable energy industries.

APT is headquartered in Dubai, United Arab Emirates and provides equipment, expertise & materials to the Middle East & South East Asia through offices in Dubai, Mumbai & New Delhi and a satellite office in Riyadh.

A founding partner in the establishment of the regional architectural & automotive glass industry, APT has assisted its partners in the supply of over \$500 million of equipment & services to the region, encompassing several hundred units of automated equipment, structural engineering services for several landmark structures, dozens of turn-key factories and a range of high quality construction material.
