PRODUCTS OR MACHINERY

Glass wool for thermal and acoustic insulation.

Twiga Insul

One of the best known products for thermal & acoustic insulation, Twiga Insul is light gold in colour and is a light weight, compressible insulation material consisting of fine, long, inorganic glass fibers bonded together by a high temperature binder.

Twiga Insul is available in rolls, slabs and boards, in various densities and thicknesses and with a wide range of factory applied facings which include reinforced aluminum foil, fiberglass tissue, black glass tissue and a wide range of imported premium facings.
