PRODUCTS OR MACHINERY

Our company is specialized in manufacturing quartz lamps and high vacuum components, in March 2006 thanks to a new establishment more than 600 quartz , ultraviolet and red rays lamps are regularly produced and we can also provide a great range of special products on demand.

Our quartz lamps are commonly employed in medicine, agriculture, zoo-technique, ecology, sterilizing and purifying fluid processes, de-pollution of drinkable waters and thanks to TQI's R&D our company is always in progress has become one of the leading manufacturer of Uv lamps and equipments both in the national and international market.
