PRODUCTS OR MACHINERY

Our company is trading new and used flat glass machines meeting different applications; from single cutting, grinding, bevelling, washing, drilling, insulating glass (IG) machine to complete production lines.

We manufacture new laminating furnaces and sandblasting machinery. If your company is considering expanding capacity or investing in a new branch of flat glass production, we can offer a solution. We can search the international market to find the machine for you if we do not have it in stock.
