Address	TECNOMECC S.R.L. Via Melaro 11 36075 Montecchio Maggiore
Country	Italy

PRODUCTS OR MACHINERY

TECNOMECC Srl peculiarity is the uninterrupted search and developping of new processes and advanced technologies so that Tecnomec is always up to date and able to meet market requirements. The characteristics of Tecnomec is to produce small-medium series of PCBs, monolayers, double layers, multilayers flexibles and rigid-flexibles with blind and buried holes, blind milling, with any type of surface treatment and final protection and with certified electrical test. Moreover Tecnomec srl offer to their customers "pre and post" advice every time there are particular manufacturing problems or should they need out of standard products. Market is highly competitive but we try to beat competition offering complex quality products and giving customers a valid assistance.
