PRODUCTS OR MACHINERY

Sandow mainly focuses on the recycling of glass cullets for both float glass manufacturer and glass container maker. We have around 200 employees and five recycling sites around China. After about ten years' efforts, we have integrated the whole glass scrap recycling chain in north China, including efficient recycling network, processing and shipping. We can provide at least 30 000 tons glass cullets, including flat glass cullets and container cullets every month.

Meanwhile, we also have a plant through which we make colored glass cullets for decoration usage, such as landscaping, terrazzo flooring, swimming pool flooring, artificial marble producing, etc. We mainly do clear, green, blue and amber, and other colors could also be customized.

Specifications: dry, clean, wood free, metal free, nylon free, neat clean.

Color: Green, grey, amber/brown, clear

All size available
