PRODUCTS OR MACHINERY

For three generations the Fenzi group has focused its products and technologies on the processing of flat glass and its product ranges, all high quality, are certified by the strictest international standards. Tests on the chemical, physical and mechanical properties of the products, as well as endurance and ageing tests, are carried out daily at both the R&D laboratory in Tribiano and at those of customers and test houses recognised worldwide. The awareness of quality is confirmed by ISO 9002 certification obtained in 1995 and later updated.
