Country	Spain

PRODUCTS OR MACHINERY

Our intention is to continue offering our products with a more personal, as well as the total market introduction in Europe and South America, knowing the great potential of these and the expansion possibilities of our products.

These days when the little details make the difference, in which the decorative glass is again booming and is worth having into account in all new construction, we continue to be on the cutting edge of this sector.

Beauty, performance, low cost, performance, exclusivity, are some of the qualities that offer our products, do you imagine a company that offers all the possibilities in the world of decoration of glass? Imagine no more, welcome to Creative Resins Europe.
