

2021- 2026 Global Glass Fiber Reinforcements Market - Production and Consumption Professional Analysis (Impact of COVID-19)

This report elaborates the market size, market characteristics, and market growth of the Glass Fiber Reinforcements industry, and breaks down according to the type, application, and consumption area of Glass Fiber Reinforcements. Among them, the report also focused on the production, sales and import and export data of the Glass Fiber Reinforcements market. You can learn about the main production areas and consumption of the products. We have subdivided the consumption of major countries by region.

The report also conducted a PESTEL analysis of the industry to study the main influencing factors and entry barriers of the industry.

In Chapter 3.4 of the report, the impact of the COVID-19 outbreak on the industry was fully assessed. Fully risk assessment and industry recommendations were made for Glass Fiber Reinforcements in a special period. This chapter also compares the markets of Pre COVID-19 and Post COVID-19.

In addition, chapters 8-12 consider the impact of COVID-19 on the regional economy. This is only a sample. The data in sample is not real. And the final report might be different from the sample.

Highlights Players

Key players in the global Glass Fiber Reinforcements market covered in Chapter 13:

- 3B-The Fibreglass Company
- AGY Holding Corp.
- BrajBinani Group - Goa Glass Fibre Limited
- Cam ElyafSanayii A.S. (SISECAM Group)
- China Jushi Group Co., Ltd.
- Chongqing Polycomp International Corporation (CPIC) '
- Chongqing Sanlei Glass Fiber Co., Ltd.
- CPIC Abahsain Fiberglass W.L.L.
- Eastern Industrial Company (EICO)
- Jiangsu Changhai Composite Materials Co., Ltd.
- Johns Manville Corporation
- JSC "Polotsk-Steklovolokno"
- KCC Corporation

- Lanxess AG
- Nippon Electric Glass Co., Ltd.
- Owens Corning
- P-D Glasseiden GmbH Oschatz
- PFG Fiber Glass Corporation
- Saint-Gobain S.A
- Shandong Fiberglass Group Co., Ltd.
- SinomaJinjing Fiberglass Co., Ltd.
- Taishan Fiberglass Inc.
- XingtaiJinniu Fiberglass Co., Ltd.

...

Highlights-Types

In Chapter 6, on the basis of types, the Glass Fiber Reinforcements market from 2016 to 2026 is primarily split into:

- Single-end Rovings
- Multi-end Rovings
- Woven Rovings
- Chopped Strands
- Chopped Strand Mat (CSM)
- Continuous Filament Mat (CFM)
- Fabrics
- Others

Highlights-Applications

In Chapter 7, on the basis of applications, the Glass Fiber Reinforcements market from 2016 to 2026 covers:

- Automotive & Transportation
- Marine
- Wind Energy
- Pipes & Tanks
- Building & Construction
- Electricals & Electronics
- Consumer Goods
- Aerospace & Defense
- Other Applications

Highlights-Geodata

Geographically, the detailed analysis of production, trade of the following countries is covered in Chapter 4.2, 5:

- U.S.
- Europe
- China
- Japan
- India

Geographically, the detailed analysis of consumption market share and growth rate of the following regions are covered in Chapter 8, 9, 10, 11, 12:

- United States, Canada, Mexico
- Germany, UK, France, Italy, Spain, Others
- China, Japan, South Korea, Southeast Asia, India, Others
- Saudi Arabia, UAE, South Africa, Others
- Brazil, Others

Based on the Glass Fiber Reinforcements industrial chain, this report mainly elaborates the definition, types, Application and major players of Glass Fiber Reinforcements market in details. Deep analysis about market status (2016-2021E), enterprise competition pattern, advantages and disadvantages of enterprise products, industry development trends (2021E-2026F), regional industrial layout characteristics and macroeconomic policies, industrial policy has also been included.

From raw materials to downstream buyers of this industry will be analyzed scientifically, the feature of product circulation and sales channel will be presented as well. In a word, this report will help you to establish a panorama of industrial development and characteristics of the Glass Fiber Reinforcements market.

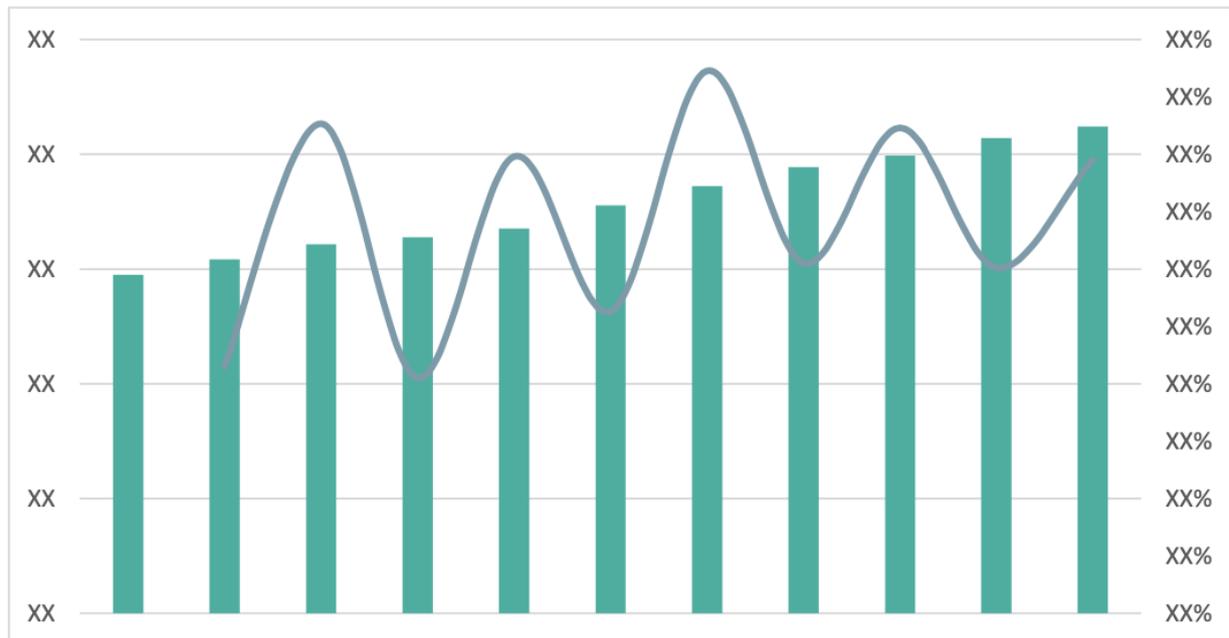

Sample of Figures submitted to above topics

Table Glass Fiber Reinforcements Key Market Segments

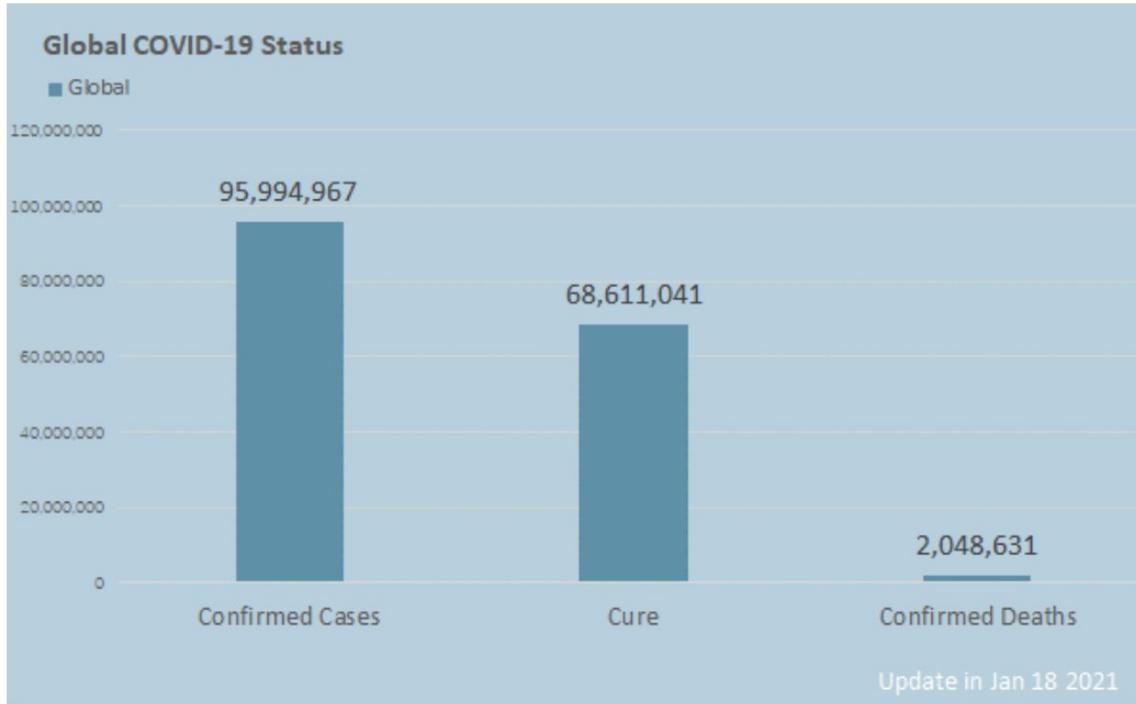

Segmentation	Sub-category
By Product Type	Single-end Rovings
	Multi-end Rovings
	...
by Application	Automotive & Transportation
	Marine
	...
By Regions	North America
	Europe
	Asia Pacific
	Middle East & Africa
	South America

Export						

The economy, politics and society of various countries in North America have been seriously affected by the epidemic, and various countries and governments have taken a series of measures to deal with the challenge of COVID-19 epidemic.

As of January 27, 2021, the number of confirmed cases in COVID-19 in North America has reached 29,739,796 and the death toll is 629,628. COVID-19 crisis has a great impact on American labor market. According to the employment situation of the Bureau of Labor Statistics in December 2020, the unemployment rate dropped slightly to 6.7% in November. America is a highly industrialized country with high productivity and the use of modern technology.

In the unprecedented global crisis caused by the spread of COVID-19 pandemic, the Canadian economy is expected to decline by 7.1% in 2020, which is the biggest economic contraction since 1945. Service industry plays a dominant role in Canadian economy: by 2020, it will account for 68% of Canada's GDP and employ more than 79% of the active population.

The education and health sectors are also key to the country's economy. The most active industries in recent years are telecommunications, tourism, internet and aerospace engineering. By 2020, the pandemic will have the greatest impact on travel, entertainment and catering services.
