Address	DIAS Infrared GmbH Pforzheimer Str. 21 01189 Dresden
---------	---

Country	Germany
---------	---------

PRODUCTS OR MACHINERY

We specialise in the development, manufacture and support of industrial infrared systems. These include:

- Non-contact temperature measurements
- Thermal imaging
- Security systems and technology
- Gas analysis
- Measurement and calibration equipment

Our company offers a wide selection of products based on computerised problem analysis. We develop and manufacture equipment ranging from sensors, electronic, optical, and precision mechanical components to complete infrared systems with customised software:

Products

- Infrared line and thermal imaging cameras
- Infrared sensors
- Blackbody radiators

Services

- Research and development
- Consultancy and measurements
- Calibration services

Our key speciality areas are infrared cameras, and systems which incorporate infrared cameras.
